	Introduction to Unit 1 - Y13 Theoretical Topics - Written Exam January 2024.					Trial Examinations	Introduction to Unit 1		

<p>How does this year deliver your curriculum intent?</p>	<p>In Year 12, students will cover two units, Unit 2 – On-Screen Database Exam and Unit 3 – Social Media Project.</p> <p>Students will enhance their knowledge of key applications taught during their Key Stage 3 and 4 studies. During this course students will develop cognitive and problem-solving skills such as critical thinking, problem solving and creating solutions alongside intrapersonal skills such as communicating, working collaboratively, self-management, adaptability and resilience. In both units, students will acquire key technical skills, which will help them to become highly recruitable for a variety of job sectors. At the end of this academic year, Year 12 students will be introduced to the Year 13 written examination unit. This will allow students to prepare over their summer break revision materials to secure a strong starting point in Year 13.</p>
